

REMARKS

This supplemental amendment cancels claims 1-12, and places claims ~~35~~ and 36 in independent form. Claims 33-36 are pending.

This divisional application was filed due to a three-way Restriction Requirement in the parent application. The Examiner subsequently combined Groups I and II. Accordingly, it has become necessary to cancel claims 1-12 (Group I) since these previously-withdrawn claims are now being examined in the parent application.

It is not believed any fee is required for entry and consideration of this Second Preliminary Amendment. Nevertheless, the Commissioner is requested to charge our Deposit Account No. 50-1258 in the amount of any such required fee.

Respectfully submitted,

James C. Lydon
